Mark

It is my understanding that the R8 CERCLA Anaconda briefing that was being scheduled for Justin is not going forward, as Justin was made aware of the Montana Supreme Court case back in late February by OGC. As such, it does not appear that another briefing is necessary.

My apologies for not being aware of the earlier OGC involvement and for any additional work done by the region to prepare for a separate briefing.

Gary

Cari,
We have some scheduling complications on our end. K.C. is out tomorrow afternoon and Friday, and then is traveling to DC for meetings w/ DOJ on other matters on Wednesday and Thursday and traveling back on Thursday. It would work much better for the Region if we could possibly schedule the briefing for Mr. Schwab for the week of January 20th. Please let us know if that is feasible.
Thanks,
Mark
